

Futura Dishwashers

FEATURES	BENEFITS / ADVANTAGES
CLASSIC SERIES	
Miele UNIQUE 20 Year Design	German engineered and built from the best raw materials — tested to last over 20 years
Miele UNIQUE 3 Full Spray Arms	Allows for dedicated cleaning and efficient results
Miele UNIQUE FlexiCare Baskets	Flexible loading, removable lower insert, cutlery basket and space available for cutting boards, large items
Miele UNIQUE AutoSensor	Water temperature, water consumption and program duration are adjusted based on the level of soiling automatically detected by the sensor
Miele UNIQUE Clean Touch Steel™	Innovative finish resists fingerprints, scratches and smudges. A special treatment stands up to aggressive handling — keeping the exterior cleaner and easier to maintain
Miele UNIQUE Connect & Protect	Double Waterproofing System automatically shuts off the water supply to the dishwasher in the event that a leak or blockage is detected
Miele UNIQUE CleanAir Drying	An advanced drying system that draws room temperature air through a port at the bottom of the appliance. This air is disbursed through special channels around the exterior dishwasher cavity and allows the interior water particles to condense against the walls of the dishwasher. No external air is ever introduced inside of the dishwasher.
Miele UNIQUE Easy Install	Plug and hard wire option, adjustable door tension to balance dishwasher door and 4 height adjustable feet (level installation)
Miele UNIQUE Electronic Profi Pump	Heating system with wash temperatures up to 165° degrees, circulation is varied depending on program
Miele UNIQUE 9 Basket Positions	Middle basket can be docked in 9 different positions to accommodate a variety of dishware items
Miele UNIQUE Miele Cutlery Tray	Invented by Miele in 1987 — has set the standard for cleaning cutlery. Allows washing cutlery in rows of tines throughout the tray. A spray arm above the cutlery tray offers a more hygienic clean (available on “SC” models)
AVAILABLE ON CRYSTAL SERIES +	
Miele UNIQUE Perfect GlassCare	Fully automatic water softener adjusts water hardness levels for optimal cleaning of glasses
Miele UNIQUE China/Crystal Program	For washing temperature sensitive items such as china and crystal stemware
Miele UNIQUE FlexiCare Plus Basket System	Flexible loading options, height adjustable wine glass holder (supported by Riedel Wine Glass Company)
