

**NEW for the CONTEMPRA collection**  
**Doors in MELAMINE & POLYESTER**  
**SHAKER 45°**

A new SHAKER door with 45° corners is now available for the Optimum CONTEMPRA collection only.

Door has a polyester frame with matching melamine center panel. The texture of the melamine replicates the linear ridges of rift cut wood, giving a fine urban look. To accentuate the contemporary look, the lighting unit is then not molding.

This door model is available in 2 melamine colors:

- Black chocolate M-494-T
- White chocolate M-492-T

They are sold the **same price as the MDF wood.**

**DISCONTINUED :**  
**INNOVATION MELAMINE DOORS**

As of this date, we will no longer produce furniture with INNOVATION style melamine doors. Our supplier stopped producing it.

Please remove from your sample case the 6" x 6" INNOVATION melamine door front style (molded frame) and cross out the columns "Innovation Melamine" from the CLASSIC, PRISMA and OPTIMUM collections.
