## DEFAULT HARDWARE UPDATES:

Effective August 1st, Bertch is updating our Bath hardware selection. With this upgrade, six vanity styles have newly updated “default” hardware (see on the left). If you have displays of any of these vanities using the default hardware, please contact dealer services to order new hardware for your displays! Beginning in August, newly ordered cabinets will have the new hardware choices!

Also, all cabinets will now be available with the option of “pulls” instead of knobs for a premium of \$11 list per pull. When ordering a pull, remember to order the cabinets NO DRILL, so your customer can position their pull where they wish.

*(Note: Juliet and Riverside hardware will remain the same, however are not options)*

# Bertch®

## HARDWARE BOARD:

Hardware is furnished at no charge with the bath order. All hardware is available on any style, please specify when ordering. One piece of hardware per functional door or drawer. Additional pulls are available for \$11 list and knobs for \$8 list.

The new hardware board is available for \$337 list. If you are a Bertch kitchen dealer, this hardware board is the same as the one used in the kitchen divisions.
