# CONFIDENTIAL PRICE SCHEDULE

P195ES52SB

P195ES70SB

- Flush under cabinet design fits flush to custom cabinet or can be used with optional BEST liners to protect cabinetry
- Energy Star® rated for optimum energy savings in ducted applications
- Efficient internal blower for quiet, dependable operation  
- 290 CFM, 5.0 Sones (0.5 Sones normal) on P195ES52SB  
- 370 CFM, 5.0 Sones (0.3 Sones normal) on P195ES70SB
- Variable three-speed slider control for convenient range of ventilation choices
- Two 13-watt fluorescent bulbs provide economical, energy-saving lighting (included)
- Aluminum mesh filters effectively capture grease and are dishwasher-safe
- Heat Sentry™ detects excessive heat and adjusts blower speed to high automatically
- Recirculation filters available for installations where ducting outdoors is not possible. (Please note, recirculation installations will not meet Energy Star® requirements.)
- Will work with optional universal make-up dampers
