

To Our Valued Dealers,

Effective immediately, we have come to an agreement to transfer distribution of the Hastings Chelsea H125 faucet line to Watermark Designs. While the faucet line is a Hastings design, as many of you knew, Watermark has manufactured the line for Hastings since its inception.

This agreement will allow Hastings to concentrate our efforts on the Vola faucet line while Watermark utilizes its strong faucet dealer network to increase exposure of the H125 faucet line, which they call Chelsea by Hastings Studio.

We wish Watermark Designs much success with the line.

Please direct all future orders or inquiries to Watermark Designs :
