## OUTDOOR 500 SERIES GRILL FEATURES

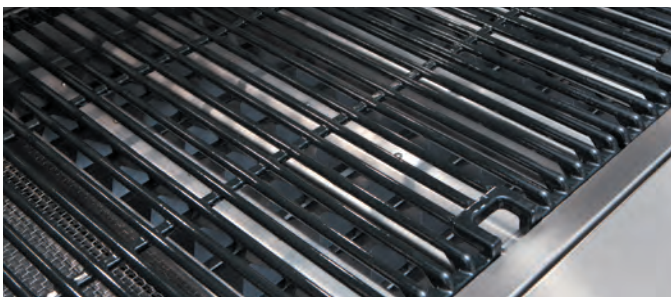

### Flavor Generator System – Key Features

- **EXCLUSIVE** 29,000 BTU stainless steel burner – most powerful in industry
- **EXCLUSIVE** Automatic reignition system
- **EXCLUSIVE** Black Diamond ceramic briquettes provide even heat distribution and self-clean with just a flip

### Illuminated Control Panel and Halogen Canopy Lights

- Blue LED light above each knob illuminates control panel
- Two halogen canopy lights illuminate the full grilling surface

### Power-Porcelain™ Cast-Iron Grill Grates

- Cast iron is an excellent conductor of heat to cook food evenly and create restaurant-style grill marks on food
- Porcelain coated for easy clean-up

### Heavy-Duty Rotisserie System

- 15,000 BTU infrared burner locks in flavor and juices for perfectly roasted meat every time
- Powerful rotisserie motor – 70 lb. capacity

### TruSear™ Infrared Burner (on select models)

- 30,000 BTU burner
- Creates intense, searing heat which caramelizes the outside of food, sealing in juices and flavor

NEW
