

Quincy Deadbolt and Providence Crystal knob
August 2013

EMTEK®
ASSA ABLOY

[Click here to watch the video](#)

Emtek is expanding its hardware collections with the new crystal Providence knob and Quincy style rosette and deadbolt. These classic designs capture the essence of pure and simple elegance, adding a touch of heritage to any home.

The new rosette and deadbolt coordinate with the full range of Quincy side-plates, making it easy to create a matching suite of exterior and interior door hardware. For product details, consult [addendum L](#).

The Providence knob adds to the selection of Emtek's beautiful crystal products. Its uncomplicated design pairs perfectly with this stunning material. For product details, consult [addendum M](#).

**Keep watch for an announcement on Quincy entry sets coming later this year*
