

Designed specifically for the growing trend of free-standing tubs, the contemporary style of the Delta® Floor Mount Tub Filler was inspired by the sleek elegance of modern European design. Featuring:

- **MultiChoice® Universal Pressure Balance Valve** - Features the Monitor® 14 series single-function pressure-balance valve and cartridge that maintains the temperature $\pm 3^{\circ}$ and meets local codes and specifications that may exist for projects
- **Touch-Clean® Spray Holes** - Allows you to easily wipe away calcium and lime build-up from the spray face with the touch of a fingers
- **Beautiful finishes** - Available in Chrome, Champagne Bronze™, Venetian Bronze® and *Brilliance*® Stainless
- **6-9gpm Laminar flow** - Cascades the water out in a laminar flow for an elegant look while filling the tub
