

### Receive Signature Gourmet Cookware from Dacor

What's cooler than cooking on your new Induction Cooktop or Induction Range from Dacor? Cooking on it with a complimentary seven piece set of induction compatible cookware.

When you purchase a [Dacor 36" or 30" Induction Cooktop](#) or [30" Induction Range](#) and register your product, Dacor will give you the perfect pots and pans to complete the energy savings afforded by induction cooking.

This seven piece set has been designed to efficiently absorb the electro-magnetic wave created by the induction elements for maximum energy usage and even heat distribution. Made of 18/10 gauge stainless steel, these pots and pans not only maximize your cooking experience, but simplify your meal preparation with internal measuring marks inside.

Save energy and save time with induction appliances from Dacor!

To learn more about how to receive your FREE Gourmet Signature Cookware (a \$300 value), check out Dacor's [Special Offers](#) website. Don't miss out on this limited time opportunity.
