Re:	<b>2013 DOOR DISCONTINUATION</b>

Dear customer,

Please note that the models in the attached document will be discontinued as per the schedule outlined.

In an effort to offer you the most current and trend setting products and to allow you to make plans to execute a seamless transition, we are suggesting replacement units for each unit we are discontinuing.

In most cases, we are also providing a window from which we will ship products up until December 15<sup>th</sup> 2013.

Please direct any questions regarding the discontinuations to the concerned Product Manager.
