

We are proud to introduce our finest collection of door hardware yet...

The Chautauqua Collection

We are excited to formally introduce our new, expansive and detailed Chautauqua Collection. The complete catalog and price list has been uploaded to our [Dealer Login](#). Catalogs will be printed and distributed by the end of February. This incredible collection is truly all about the fine details...rope, coin, cross hatch and bead. *We look forward to sharing these new products with our family of dealers and their clients!*
