Washlet® C100

The entry-level Washlet C100 features a streamlined design with a convenient side remote control panel. Functions include warm water, dual-action spray, adjustable water volume and temperature, heated seat, and a warm air dryer. The C100 also ensures a hygienic and refreshing experience with an automatic deodorizer and a Premist™ that helps to keep your toilet bowl clean.

Washlet® C200

The Washlet C200 includes an easy-to-use remote control with an illuminated touchpad. The Premist™ function sprays the bowl before each use, helping to keep your toilet bowl clean. Comfort features offer an adjustable warm water, dual-action spray, warm air dryer, heated seat and automatic deodorizer. The C200 provides a satisfying cleansing experience every time.

Atherton™ Undercounter Lavatory

The ADA compliant Atherton Series of lavatories feature a minimalistic design. Lavatories are available in two oval and one rectangle model. The easy-to-install Atherton series is complete with installation templates and mounting screw sets.

Oberon™

The Oberon Series of single-handle faucets are available in three distinct styles. All ADA compliant and WaterSense certified models use just 1.5 gallons per minute. The Oberon series offers a sleek and contemporary design appropriate for any bathroom.

Universal Flapper

The new universal flapper is designed to accommodate all toilets requiring a three-inch flapper.
