I meant to tell you, David Ducek (homeowner) called last week looking for Andrew, who was with a client. I offered David someone else in Sales, and he replied, "As far as I'm concerned, there is no one else in Sales," and refused to talk to anyone but Andrew. Quite a compliment!

Dear Mr. Edelman,

We are writing you to express our professional feelings about Danny Wittenberg. We felt it was necessary to inform you, the only reason we have given 100% of our business to Edelman Plumbing is because of Danny.

We find him to be an outstanding resource for all things related to home construction, both new and remodeling.

You are blessed to have him be on your team. He has been the "Magna" that has drawn us to Edelman all these years. We began with his parents over 26 years ago, at Decorative Hardware... and never considered anyone else.

We have given Danny our complete and sizeable new home construction job; Appliances, Plumbing, Hardware doors & cabinets, lighting, because he is the Very Best... what a pleasure!

Sincerely yours,
Terrie and Lucius McKelvey
