

Subject: KALLISTA Black Nickel Now Available as a Standard Finish on the Per Se Collection

Contact: Jennifer Raden (ext. 73414)

Black Nickel, a KALLISTA® intriguing dark metal finish, is now available in standard order on the Per Se™ collection. The finish features a high gloss top coat over black nickel plating to create a shadowy luster with added depth and dimension. Now trending in the global design marketplace, Black Nickel's dark, glossy reflections are a captivating modern complement to the intuitive form of the Per Se collection.

Per Se Widespread Basin Faucet Set shown in Chrome.

Per Se™ is a faucet collection that embodies slender, soft modern minimalism. Meaning “in itself,” Per Se embraces its name with an aesthetic that has an intuitively beautiful base form and is welcoming with thoughtful composition. Pairing uncomplicated design with a thinness that challenges industry norms, Per Se is as individualistic as its name implies.
