

Sit back and relax.  
Your feet will thank you.

New ThermaSol Shower Seats allow you to rest comfortably while enjoying the tranquil warmth and relaxation of steam.

### Durable

Brazilian Walnut is three times stronger than teak and naturally resistant to moisture, mildew and decay.

### Secure

With ADA compliant structural strength capable of supporting up to 500 pounds, these seats can stand up to the pressure.

### Convenient

A slim 3" profile when folded keeps the seat safely out of the way when not in use.
