

## Subject: KALLISTA One Collection Basin Set Transition

Contact: Shannon Kerrigan (ext. 73190)

The KALLISTA® One basin set has been upgraded to the latest KOHLER® valve technology.

KALLISTA One - low spout, tall spout, and gooseneck basin sets have been upgraded to the KOHLER UltraGlide® valve. This technology upgrade offers added durability that ensures a lifetime of precise control and smooth performance.

There is no price increase for this upgrade!

*\* Please note, we will fulfill new orders with the current valve platform until inventory has been depleted.*
