

TO: BEST® Distributors and Appliance Regional Managers, Customer Service and Technical Support

FROM: Brian Wellnitz

SUBJECT: Obsolete BEST Range Hoods

In an effort to streamline the BEST offering and keep the line relevant, we will discontinue these BEST Models.

These were chosen because of low sales volumes and to allow room for future opportunities of new and exciting products in the BEST line-up. Future price books and catalogs will be updated appropriately. This product will be available only while supplies last. It will be maintained on the website until all inventories are depleted.

1. The WC26 Pendenza in copper. This includes internal and external hoods in all widths and accessories. WC26I36CB, WC26I42CB, WC26I48CB, WC26E36CB, WC26E42CB, WC26E48CB, AEWC26CB and AEWC26CBN. **This product is not available, effective immediately.** The Stainless Steel models of Pendenza will remain in the line.

2. The Sun WC43I80B and WC43I80W, along with the AEWC43SP ducted kit, will be discontinued effective February 1, 2016.

3. The Surf WM34I80SB, along with the ANKWM34 non-duct kit, will be discontinued effective March 1, 2016.

Happy Selling!
