808331 - 600CFM IN-LINE BLOWER

Due to an unexpected issue, the 600CFM In-Line Blower accessory will be backordered until July. This could affect any of the following Ventilation Models when specifying the use of a 600CFM In-Line Blower Motor for installation:

Traditional Ventilation		Pro Ventilation	
DD30	DD36	PW302210	PW362210
DD45	VW30B	PW422210	PW482210
VW30S	VW36B	PW302418	PW302718
VW36G	VW36S		
VI42B	VI42S		
VI45G	VW45B		
VW45G			

We apologize for the inconvenience this may cause your organization, trade partners and end-consumers.

If you have any questions regarding this delay, please direct them to your Regional Sales Manager or our Customer Service Department.
