

Axor ShowerSelect Thermostatic Trims

AXOR

The Axor brand is never content with the status quo, and this quest to stay ahead of the curve is evident in the latest range of thermostatic trims: Axor ShowerSelect. The clean, minimalist design of the Select buttons on the Axor ShowerSelect trims make it easy to understand at a glance how to control your shower, simply by pressing a button.

The Select buttons come in high-contrast black, for both chrome and brushed nickel trims.

Each 2-function trim set includes 5 interchangeable buttons, with the following icons: Showerhead, Waterfall, Handshower, Bodyspray, and Bathtub.

SELECT BUTTON

On/off for one shower function.

SELECT BUTTON

On/off for second shower function.

ANTI-SCALD 100° SAFETY STOP

Prevents water temperature from exceeding 100°F, unless this override button is pressed.

THERMOSTATIC TEMPERATURE CONTROL

Preset your preferred water temperature to within $\pm 1^\circ\text{F}$.

METAL TRIM PLATE

The all-metal trim plate delivers maximum durability and a high-value feel. Axor ShowerSelect trims are available in square, SoftCube and round shapes, so they can be combined harmoniously with any Axor collection.
