

ITEM REPLACEMENT NOTICE

8" Cover Plate 71244T8CC ➡ THP3159#CP
Thermostatic Mixing Valve TLT10 ➡ TLT10R

The **NEW** 8" Cover Plate has a cleaner design that pairs with all residential single handle and commercial EcoPower faucets. THP3159#CP is made of a tough brass material with a mirror like polished chrome finish. This new design also includes a padded under cover to prevent counter scratches. Wing nuts are included for easy installation.
