

Steamist Digital Shower System

MORE CONTROL. MORE CHOICE. IT MAKES MORE SENSE.

ONE CONTROL.

ONE VALVE.

FOR THREE SHOWER OPTIONS...

SHOWER

RAIN SHOWER

BODY SPRAY

WATERFALL

HAND SHOWER

The Steamist Digital Shower System lets you choose from multiple shower experiences by installing up to three outlets, without cluttering the space with multiple controls. The advanced SH-450 digital control operates all shower functions, and allows you to program two different shower profiles, including both temperature and volume control for each profile.
