The Jenn-Air Model Home & Designer Showroom Program

NEW Save 50%

Jenn-Air® appliances are known for their sophisticated styling, innovative technology and exceptional performance. Having the opportunity to showcase our premium products to your discerning customers is very important to us.

Jenn-Air is excited to announce an update to the Jenn-Air Model Home Program. **Now our trade customers can receive a rebate of 50%** when purchasing products to be placed in Model Homes, Parade Homes, Builder Showrooms or Design Centers.

STEP 1: REVIEW YOUR PROJECT WITH YOUR SALES REPRESENTATIVE

- Once you and your Jenn-Air sales representative have selected the products to be included, they will submit a request for approval.
- All projects must be preapproved by Jenn-Air prior to an order being placed.

STEP 2: PLACE YOUR ORDER

- Once the request has been approved, your Jenn-Air sales representative will give you a copy of the approved request form.
- You can then place your order through normal channels per the published Jenn-Air price sheet.

STEP 3: INSTALL AND CLAIM

- The approved request form serves as the claim form for this program.
- Once the product has been installed, please complete the form by providing the serial numbers.
- The completed form along with a copy of the invoice needs to be returned to your Jenn-Air sales representative for processing.
- Allow 2-4 weeks for processing. A trailing credit rebate via credit memo will be issued.

Also NEW as of September 1, 2016

- Sales under this program may be claimed under the applicable Jenn-Air Spiff program.

Programs are subject to change without notice. Whirlpool Corporation reserves the right to cancel, suspend or amend this program at any time without written notice.
