BATHROOM COLLECTIONS 2017-18

Our logo reflects the elegance & majesty of Mount Vesuvius, the infamous volcano which buried the city of Pompei, Italy in 79 AD. Mount Vesuvius is the most impressive sight for many miles in the Naples region, and was a constant inspiration for the founder of LACAVA, as he looked from the balcony of his childhood home in Italy.

KUBISTA COLLECTION

The Kubista series presents a comprehensive collection of vanities, vanity tops with integrated sinks made of solid surface available in gloss or matte white finish, faucets for lavatories, valves for showers and tubs, and bathroom accessories. The collection is the epitome of modern contemporary almost rigid style adorned only with optional stainless steel trims.

The vanities, presented here in a lacquered finish, range from 24" single bowl to 72" double-bowl units that can be wall-hung or installed with a set of legs.
