You rely on cutting-edge products, which is why we created a cutting-edge rewards program to match. With the new Enjoy (more) Rewards program, you can:

Earn 500 points for converting

After June 1st, convert your existing Enjoy Rewards or Style Rewards accounts to Enjoy (more) Rewards and earn 500 points*. It's that easy.

Earn more than ever

Starting June 1st, join the new Enjoy (more) Rewards to earn more rewards than ever before when you sell qualifying products from American Standard, DXV and GROHE.

Earn more rewards

Every qualifying sale you make brings you closer to the next tier and earning more points on every dollar sold. Keep selling to work your way up to the Diamond Tier, where you'll earn 6 points for every qualifying dollar in sales.

Earn anywhere, anytime

Using our new mobile-friendly website, you can enter your sales, upload your invoice copies and redeem points from your mobile device anytime and almost anywhere in the world.

Redeem rewards almost anywhere

They're your rewards – use them where and how you want. After signing up or converting your account, we'll send you an Enjoy (more) Rewards Reloadable MasterCard® that you can use to access your rewards anywhere MasterCard is accepted.
