ABOUT US

Brasstech is owned by Masco Corporation, a global leader in the design, manufacture and distribution of branded building products for the hospitality and home improvement markets. In hotels, residential homes, public buildings, skyscrapers and commercial buildings of every size, Masco's products are trusted to deliver innovation, quality design and reliable performance.

Located in Santa Ana, California, Brasstech is a leading manufacturer of luxury bath and kitchen faucets, accessories, and lighting marketed under the Newport Brass® and GINGER® brands. We are committed to delivering high-quality products that enhance the lives of consumers and exceed guest expectations. The complementary alliance of Newport Brass and GINGER offer what few in the industry do - no limitations.

WORLD CLASS QUALITY

Proven leaders in the hospitality sector, the Newport Brass and GINGER brands are specified in properties throughout the world and deliver proven reliability and peace of mind. Our manufacturing plant is ISO certified and our water delivery products are leak tested prior to shipment.

PRICING

Exclusive project pricing is available upon request. All prices shown on newportbrass.com and gingerco.com are list prices and do not reflect hospitality pricing. Please contact your Brasstech Sales Representative or email hospitality@brasstech.com for contract pricing information.

GINGER

Found in some of the world's most prestigious living spaces, GINGER has proven itself time and time again as the perfect blend of style and world class luxury. Sophisticatedly iconic, each of our collections of lights, accessories, and mirrors are rich in detail and harmonious to the most imaginative hospitality applications.

NEWPORT BRASS®

For nearly 30 years, Newport Brass has provided designers, architects, and property owners exquisitely designed plumbing products for hospitality and residential applications. From the traditional sundries of the Old World to the Avant-garde provisions of modern day contemporary design, Newport Brass's diverse offering of bath suites and decorative finishes provides the ideal palette for designers of all inspirations to create spaces of distinction.
