NOTE:

See individual worksheet & order form in the MTI binder or mtibaths.com.

Prices listed should be entered next to the appropriate part # on the form.

Submit a signed & completed worksheet with the purchase order.

Submit a copy of the vanity specifications with order to ensure proper fit & finish of Counter-Sink.

Carefully review inside of vanity spec's to ensure the proper clearance to accommodate the bowl, drain and optional integrated overflow (if applicable).

Take into consideration thickness of material under the countertop, when positioning sink bowl, using a deck-mounted faucet or adding optional integrated overflow.

Optional 'carrier arms' are recommended for wall-mount installation.

NOTE:

See individual worksheet & order form in the MTI binder or mtibaths.com.

Prices listed should be entered next to the appropriate part # on the form.

Submit a signed & completed worksheet with the purchase order.

Submit a copy of the vanity specifications with order to ensure proper fit & finish of Counter-Sink.

Carefully review inside of vanity soec's to ensure the proper clearance to accommodate the bowl, drain and optional integrated overflow (if applicable).

Take into consideration thickness of material under the countertop, when positioning sink bowl, using a deck-mounted faucet or adding optional integrated overflow.

Optional 'carrier arms' are recommended for wall-mount installation.
