CUSTOM & STANDARD SIZES

Avant vanities are available in five standard sizes, but VT also offers custom sizes to fit even the most unique sizing needs.

- Fully fabricated vanity tops offered in the following standard sizes: 25", 31", 37", 49", 61"
- Custom offerings are available by request
- All standard and custom sizes have a standard 2-cm thickness
- Backsplashes are included with the vanity as a kit
- Backsplashes are 4" x the length of the vanity (2-cm thickness)

THE PERFECT SINK PAIRING

VT offers a variety of sink options to pair with Avant vanities, ensuring you can find exactly the look you want.

- 2 Colors: White & Bisque
- 2 Shapes: Oval & Rectangular
- Oval Sink—17" x 14"
- Rectangular Sink—18" X 13"
- Single or Double Bowl

ONE-YEAR LIMITED WARRANTY

VT stands behind the quality and performance of these vanity surfaces, offering a one-year limited warranty—so you can confidently choose Avant.

CAPTURING THE COLORS OF TODAY

All of today's most popular tones. All in one space-defining color palette.

A'vant's refined and refreshingly rich-hued portfolio of 15 on-trend colors can breathe new life into any bathroom. Add intimate warmth with seven brilliant, earthy shades that authentically capture the essence of nature. Or find cool refinement with the eight colors in A'vant's softer hued, subtly-bold spectrum. Escape the ordinary and discover your perfect color with A'vant.

Proven to Perform

Quartz and granite have earned a reputation for high durability and stain resistance, and for good reason. These natural surfaces stand up to the everyday—and then some—to maintain a consistent, durable look for years to come.
