Terms and Conditions of Sale

Acceptance of Orders:

All orders submitted to Merit Metal Products Corporation are subject to acceptance by us. Merit reserves the right to decline the whole of the order in which the price, finish or quantity of goods is not satisfactory to us. Purchase orders are accepted via e-mail or fax only, no phone orders will be accepted. Please contact our Customer Service Department at 215-343-2500 or fax 215-343-4839 for price quotations, lead-times, stocking distributors or general product inquiries. All purchase orders totaling under a \$100 NET cost will be charged a below minimum fee of \$35.00 net per purchase order.

Custom Hardware Orders:

All custom hardware orders require a 50% deposit at the time of your order. No order will begin production until the deposit is received. Once a custom order is accepted and approved by Merit, and based on our original hardware quotation provided, an order confirmation will be sent for the dealer's final approval. Should the order deviate from the original quote in quantities, finish or custom hardware details, Merit reserves the right to decline the order until a new quote is approved to correspond to this purchase order. Architectural drawings will be provided by Merit for all custom hardware and it will require the dealer and/or client's approval before it is manufactured. Once a custom hardware order is in production, it cannot be cancelled. If changes in quantities, finish or details are requested, it must be in writing, and dependent on the manufacturing stage, Merit will advise in writing if the changes are approved. Any dealer changes to their custom order while in manufacturing may result in additional charges, as determined by Merit. The balance of your custom order must be paid in full at time of shipment, with all orders FOB-Warrington, PA.

Finishes

Our artisan finishers gently apply polishing, antiquing, burnishing, plating, textural distressing or other finishing techniques to our hardware. With all hand applied finishes, color and texture will vary between brass alloys, creating subtle variations in tone and texture. As all Merit's finishes are considered living finishes, environment, time, and the normal touch of your hand will alter the overall appearance of these finishes. Therefore, Merit cannot guarantee that our living finishes will not patina, oxidize, darken, or fade due to these conditions.

Order Changes or Cancellations:

While Merit will attempt to comply with a customer's written change order and/or cancellation, we cannot guarantee this can be accomplished before shipment. Appropriate handling charges or returns will be exercised if the order has been shipped before processing a change order request. Cancellations will not be accepted on goods that are in process of being manufactured and/or are ready to ship.

Pricing:

All previous prices are hereby withdrawn prior to this dated price list. All prices or quotations are subject to change without notice. Orders held by Merit because of credit status may be reprised to pricing in effect on date of order release by Merit Credit Department. Merit also reserves the right to discontinue items or change specifications at any time without notice and without incurring any obligations.

Specialty Finishes:

For availability and pricing on specialty finishes, please contact our sales department for a quotation.

Terms and Conditions of Sale

Payment Terms:

Standard payment terms with Merit are Net 30 days to customers with known and acceptable financial standing. When making payment for invoices, Merit accepts MasterCard, Visa, company check or bank wires. All bank wires must be authorized by Merit's accounting department prior to processing, with all bank fees associated with the transfer the direct responsibility of the dealer. All first-time showrooms/distributors are required to make prepayment on first orders via MasterCard, Visa or full payment by company check.

Past Due Accounts:

Any account that has unpaid invoices over 45 days will be put on automatic "CREDIT HOLD" until the past due amounts are cleared from their account. A finance charge of 1% per month may be computed on the entire past due balance when the balance remains more than 60 days past due.

Returned Checks:

Any check returned to Merit for insufficient funds will be assessed a \$75.00 processing fee, no exceptions.

Returned Goods:

All goods requesting a return goods authorization (RGA) must be submitted to our Customer Service Department for approval. Customer Service will provide you with an RGA # which is to be noted on all paperwork accompanying the goods being returned to Merit for credit. Only goods returned 30 Days from your invoice date are eligible for return. Once the returned hardware has been inspected by Merit, a credit will be issued against your account, with a minimum 40% restock fee, depending on the part or finish on the returned hardware. Any product that is deemed defective upon inspection will not be credited and instead, returned to shipper for reasons indicated.

Shipping Terms:

All shipments will be FOB-Warrington, PA, unless specific shipping instructions are authorized by Merit. Routing will be governed by size and weight of shipment. All shipping and handling charges will be prepaid and added to the invoice.

Limited Warranty:

Each of Merit's products has been thoroughly inspected to determine that it is in accordance with our high quality standards. We warrant that all our products are free from defects in material and workmanship for a period of (1) year from date of original purchase when properly installed and used for the purpose intended by us. Merit will repair or replace, at our option, whatever is necessary to eliminate the defect. Merit makes no other warranty of any kind, express or implied, with respect to our products. All such warranties are expressly disclaimed. Merit does not assume any responsibility for damage covered by misuse, accident, impact, tampering, mishandling, abuse, improper storage, improper installation or maintenance, extreme temperature conditions or metal deterioration due to exposure to atmospheric conditions over which Merit has no control. Merit is not liable for any labor charges, removal or reinstallation expense, freight or postage or any incidental or consequential damages resulting from any defective product. When making a warranty claim, the original purchaser of the product shall deliver the product together with a valid proof of purchase to Merit's distributor or dealer from whom it was purchased. Upon such return, the distributor will return the defective product to Merit (see Returned Goods) for proper course of action. Merit will accept no back charges.
