# WINTER PRODUCT LAUNCH 2018

## -REVISED-TOTO USA Winter Product Launch 2018

### Inside this issue:

Introducing Washlet+	Pg. 3
WASHLET S500e & S550e	Pg. 4
Aquia IV w/WASHLET+	Pg. 5
Aimes w/WASHLET+	Pg. 6
Legato w/WASHLET+	Pg. 7
Connelly w/WASHLET+	Pg. 8
SS124 Seat	Pg. 9
Aquia IV with Seat	Pg. 10
Aquia IV without Seat	Pg. 11
Aimes	Pg. 12
Legato	Pg. 13
Connelly	Pg. 14
Diverter Tub Spout	Pg. 15

#### WASHLET®+

The WASHLET+ system neatly conceals the WASHLET power cord and water supply hose for a clean installation. The system is comprised of a WASHLET and toilet which are specially designed for a seamless installation that compliments your bathroom's décor.

#### WASHLET® S500e & S550e

The S500e and S550e feature a new slim design available in both classic and contemporary lid design. The remote is touch pad style and features radio sensory frequency. Compatible with a T40 connection which includes Aquia IV, Aimes, Legato and Connelly. Also compatible with regular elongated bowl.

\*Please note, WASHLET S500e and S550e are not compatible with T20 connection.

#### Elongated SoftClose® Seat

The new top mounting seat coordinates with all elongated front close bowls and features SoftClose® technology. The seat is designed with concealed connection and is compatible with T40 toilets.

#### Aquia® IV

The modern look of the 2pc, regular height Aquia IV toilet, features our renowned DynaMax™ Tornado Flush® technology in an ultra-high efficient 1.28/0.8 gpf or 1.0/0.8 gpf. Models feature a WASHLET concealed connection (T40) and CeFiONtect® ceramic glaze which prevents debris and mold from sticking to ceramic surfaces.

#### Aimes® One-Piece High-Efficiency Toilet, 1.28GPF

With a modern, bold design, this toilet features our Tornado flushing system which combines gravity with centrifugal force for a highly efficient flush. Also, it's now compatible with the T40 Washlet concealed connection and includes the SS124 seat.

#### Legato® One-Piece High-Efficiency Toilet, 1.28GPF

This high-profile one-piece toilet is transitional and simple in style with a modern elongated bowl and our Tornado flushing system. Also, it's now compatible with the T40 Washlet concealed connection and includes the SS124 seat.

#### Connelly® Close Coupled Toilet, 1.28 & 0.9 GPF

The Connelly combines contemporary design with innovations in style and water conservation with our Tornado flushing system. Also, it's now compatible with the T40 Washlet concealed connection and includes the SS124 seat.

#### Diverter Tub Spout

The new tub spout features a lift-type integrated diverter and meets California's water efficiency CEC leakage regulations. It's simple design and price point is perfect for hospitality and other multi-family applications.

### Sales Tools:

- *Specification Sheets - Separate PDF attachments*
- *New Product Brochure- Separate PDF attachment \*Available in electronic version only*

- *WASHLET+ Brochure- \*\*Available by January 31, 2018 in electronic and hard copy versions*
- *2018 TOTO USA IMAP Policy*

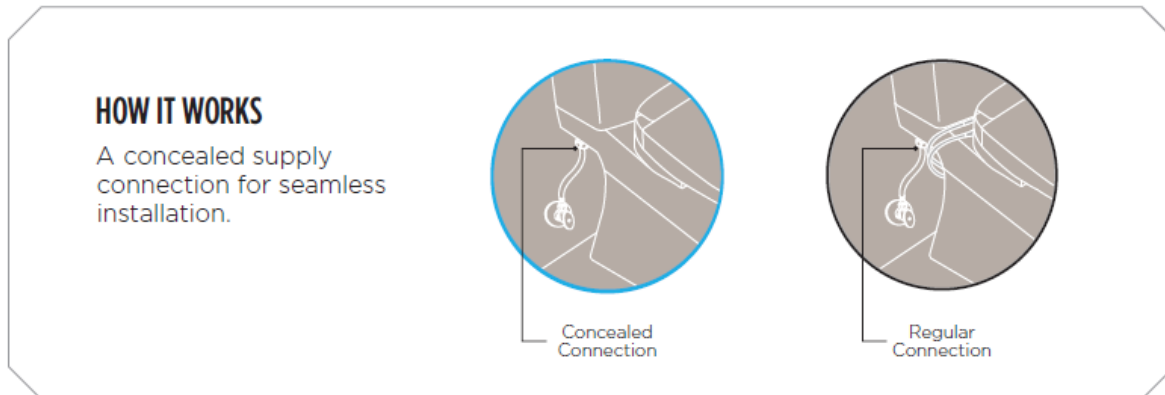

## WASHLET<sup>®</sup> +

### Connect+ Toilet and Washlet system becomes Washlet+

TOTOUSA introduced CONNECT+, a specially designed toilet and WASHLET combination for seamless installations in 2015. The system conceals the WASHLET power cord and water supply hose.

Today, Connect+ becomes part of the WASHLET+ concept system as we broaden our portfolio of products to come from TOTO. New offerings include (T40) type connections with a variety of compatible components to compliment your bathroom's décor.

The original (T20) type connection components are not compatible with the next generation (T40) type. However, both types will remain under the Washlet+ system as we continue to bring innovative products to you. SKU # determines if the product is (T20) or (T40) type.

## WASHLET® S500e & S550e

SW3044(T40)#XX, SW3046(T40)#XX, SW3054(T40)#XX, SW3056(T40)#XX

The S500e and S550e feature a new slim design available in both classic and contemporary lid design. The remote is touch pad style and features radio sensory frequency. Compatible with a T40 connection which includes Aquia IV, Aimes, Legato and Connelly. Also compatible with regular elongated bowl.

\*Please note, WASHLET S500e and S550e are not compatible with T20 connection.
