TERMS & POLICIES

TERMS

1% 10 days – NET 30. All invoices past 30 days are subject to a past due charge of 1.5% per month.

Past due accounts will be placed on “HOLD”. No shipments will be made until the account is brought within terms.

FREIGHT

Ground freight will be prepaid on all door hardware orders over \$2500/net. All other shipments are F.O.B. – Jamestown, New York.

Drop shipments are made at no additional charge.

RETURN GOOD AUTHORIZATION

All products requiring warranty work must be pre-authorized by Classic Brass prior shipping the material to our factory. A Return Goods Authorization (RGA) must be issued prior to any hardware being returned and properly noted on the shipment carton and/or return paperwork.

Ship To:

Classic Brass Inc.
 Attn: RGA Department
 2051 Stoneman Circle
 Lakewood, NY 14750
 716.763.1400

Products will only be accepted for return within 60 days of invoice date.

Due to the custom nature of our product a 50% restocking fee will be applied to all returns other than defective merchandise.

To qualify for a full or partial credit, ALL products must be packed in ORIGINAL interior and exterior shipping cartons as packed by our staff. Should the product be poorly packed or damaged in return, Classic Brass will not issue a credit regardless of the reason for return.

No credit will be given for any mortise locks, latches or cylinders that have been opened or modified in any way regardless of the reason for return.

Product manufactured to custom specifications (including all Multi Point orders) or custom finishes are NOT eligible for return or credit.

SHIPMENT DISCREPANCY

Any discrepancy as to the quantity or accuracy of the products shipped must be reported with ten days of receipt.

CANCELLATION POLICY

Due to the semi-custom nature of our product, orders can only be cancelled within 48 hours of receiving your order acknowledgement. Cancellations received after 48 hours will be subject to a 25% fabrication fee.

TERMS & POLICIES

OUR PROMISE

The Classic Brass family take a great deal of pride in the products produced by our American craftsman. We offer a lifetime guarantee on the material and workmanship of our products. Our handcrafted WAX finishes performed on solid brass or bronze products are known as a "living finish" which means it will change with time, touch, climate and care techniques. Our finishes that shipped with a lacquer coating are guaranteed for a period of one year from date of receipt. We will refinish at our expense all products returned that we deem to be a defective finish.

Due to the fact each product will be exposed to a varying set of conditions, we do not warranty the finish of our products except as stated above. Repeated handling and use will result in an inherently beautiful and graceful finish desired by the finest residences across the world.

Our mortise locks, latches, cylinders are guaranteed for two years from the date of purchase to the original user. We require the original Purchase Order No. to receive a Return Goods Authorization.

Classic Brass will repair or replace the defective product or parts that fall within these guidelines. If material is determined to be defective, the limit of damage is the price of the defective material. Classic Brass will not be liable for any labor charges regarding the removal or reinstallation of the products, transportation costs or associated handling expense related to the product. Defects or damage deemed to have been caused by accident, misuse, abuse or improper installation are not covered by this warranty. Surface scratches and wear are not manufacturing defects but are indicative of normal wear and tear. Classic Brass will be the sole interpreter of the above warranty.

Classic Brass hardware products must be installed and maintained by a professional hardware installer or all warranties are void.

PRODUCT CARE

Cleaning all surfaces with a mild soap, water, and a non-abrasive cloth will help the hardware age gracefully.

We recommend that you rinse away any traces of soap and gently dry with a clean, soft cloth after each use.

For any of our light or brushed finishes may use deoxidizing cleaner (such as Wrights Copper Cream, or Bar Keeper's Friend) to bring the bronze back to its base metal finish. Then apply a high-quality clear paste wax to protect the surface. This process can be repeated as necessary.

CARE FOR WAX FINISHES

The beauty of these finishes are a result of the environment they are installed coupled with the level of use and exposure to factors such as salt spray and UV.

Please apply the clear paste and let dry. Using a soft cloth to remove the dried wax and shine the part to level of desired brightness. We recommend using a soft bristle brush to remove any excess/dried wax from low ground or detail (i.e. coin, rope, etc) that may be hard to remove with a cloth.

We recommend applying the wax every six months.
