To Our Valued Customer:

Due to popular demand, InSinkErator® is pleased to announce that the Indulge™ Modern Instant Hot Water Dispenser is now available in two additional finishes: Matte Black and Polished Nickel! These dispensers are available for ordering today.

When paired with the InSinkErator High Performance Hot Water Tank & Filtration System (sold separately), the Indulge Series Modern faucet dispenses filtered, steaming hot water and optional filtered, cool drinking water on demand. Featuring an innovative, single-handle activation, the Modern dispenser is now available in a total of four finishes: Chrome, Satin Nickel, Matte Black and Polished Nickel.

With this new release, InSinkErator has added the following SKUs:
