SUMMER RANGE REWARDS PROGRAM

Effective Dates: April 2, 2018 through September 30, 2018
 Scope: All dealers with account in good standing
 Purpose: Incentive to drive 48" and 60" Dual Fuel and Gas range models.

RANGES

Give your kitchen an iconic centerpiece. Wolf gas and dual fuel ranges are unmistakable heirs of the cooking instruments that have been the choice of professionals for eight decades—and are now the favorite of discerning home cooks. Dual-stacked gas burners provide precise control from high end to low, while Wolf's famed dual convection oven delivers consistently delicious cooking results.

GAS: You've cooked with gas for years. But never with this kind of precision and power-perfected by Wolf through over eight decades in professional kitchens. Dual-stacked sealed burners deliver powerful highs down to delicate lows, while the convection oven provides the moist heat so beloved by bakers.

Configure the cooktop to suit your style with griddle, broiler or even French top options.

DUAL FUEL: Discover a new world of cooking - the best of two worlds, actually. Topside: Wolf gas cooking in all its glory, with the power and control of dual-stacked, sealed burners. Below: that marvel of cooking technology, the Wolf dual convection electric oven, with two fans and four heating elements for consistent heat across all racks.

configure the cooktop to suit your style with griddle, broiler or even French top options.

Sell any **Wolf 48" or 60" Range — Gas or Dual Fuel**
 from **April 1, 2018 through September 30, 2018**
