

SPLIT FINISH DISPLAY PROMOTION

The finishing touch is what separates the best from the rest. With nearly 30 artisan finishes to choose from, your customers' options to showcase their personal style are virtually unlimited.

CUSTOMIZATION IS WHAT WE DO!

Are you looking for a particular faucet that incorporates multiple finishes? We've got you covered. How about a chrome spout with black handles? Done! Maybe a polished nickel spout with gold highlights? No problem! If you can dream it up, we can mix and match finishes, creating the fixture that meets any design vision.

In order to promote this capability, we've created two different faucet displays to get you started. Take advantage of this opportunity to get the Dorrance 2970 faucet and/or the Vander 2910 during this special promotion. Better yet, build your own!
