## ESTATE™

### New 2018 – Estate Multipoint Spring Assist Chassis

On August 27th, all multipoint orders will come standard with the new spring assist chassis providing a crisper, stronger return when the lever is engaged. The spring assist chassis will help to maintain a clean and straight position for all lever styles.

#### Enhanced Features

#### FAQ's

Q: When will trims with the enhanced chassis be available for ordering?

**The new Estate Multipoint spring assist chassis is available August 27th.**

Q: Is the spring assist chassis available as a service part to retrofit an existing set?

**Unfortunately you cannot retrofit a multipoint set produced before August 27th with the enhanced chassis.**

Q: Will this change effect existing multipoint part #'s?

**Part numbers for all existing trims will remain the same.**

Q: Is the cartridge compatible with all existing multipoint door configurations?

**Yes, the cartridge is compatible with all existing multipoint configurations and does not require changes to door prep.**
