## MDD 30" PART NUMBER CHANGE

Over the coming months, the Wolf Microwave Drop-Down Door Oven will have an SKU transition to support the new aesthetic changes. Please review the attached introductory sell sheet for additional product details.

### **What is Changing?**

Item Numbers will change.

- The items in the table below will have a part number change.

The consumer facing changes include:

- Bevel design feature adds consistency when paired with other Wolf products.
- Handle update to match Pro M and E Series Wall Ovens.

Microwave Drop-Down Door Oven Item Number Change			
Description	Ending Item #'s	New Item #'s	Model Numbers (No Change)
