

EcoPower Faucet Controller Transition

Due to the change of the component supplier, new product numbers (SKUs) and UPC codes are assigned to the revised products to provide quick and accurate after-service support.

Note the change is only in the controller SKUs, with no change in kit SKUs.

Description	GPM	Item# UPC	List Price	New Item # UPC	Available to Ship
 EcoPower Automatic Faucet Controller	1.0	TELC101-D10E 739268280854	\$388	TELC101R-D10E 739268356917	Q'4 2018
	0.35	TELC103-D20E 739268332799		TELC103R-D20E 739268356887	Q'1 2020
	0.5	TELC105-D10E 739268280861		TELC105R-D10E 739268356894	Q'1 2019
		TELC105-C20E 739268280878		TELC105R-C20E 739268356900	Q'1 2019

Product will be replaced with new SKU when inventory has been depleted as part of a running change.

There is no change in price or performance.
