

VIKING NEW PRODUCT INTRODUCTIONS - EFFECTIVE DECEMBER 5, 2018

DATE: December 5, 2018

ISSUED BY: Sue Bailey/Rose Dickson

I. VIKING NEW 7-SERIES CORE PRODUCT ENHANCEMENTS - Viking continues further product enhancements and refreshing our 7-Series lineup, with new ranges and rangetops. PLEASE NOTE: The new 7 Series ranges and rangetops will ship with the BlackChrome™ knobs - standard. Brushed stainless knob kits will be offered at an additional charge. These will be detailed in the price sheet updates and Excel files.

A. QUALITY AND DESIGN ENHANCEMENTS TO THE 7-SERIES GAS AND DUAL FUEL RANGES INCLUDE:

- 1) Exclusive BlackChrome™ knobs with CoolLit™ LED backlighting
- 2) Reversible cast iron griddle/grill ships standard on griddle models. The ViChrome™ Griddle will be sold as an accessory.
- 3) 20% Larger RackView™ trimless windows on the Oven Doors for better visibility into the oven
- 4) New Viking Logo

B. TRANSITION OF CURRENT 7-SERIES MODELS INTO THE NEW - The matrix below summarizes the new products being added and beginning order dates.

C. Please note on the cost schedule pages that there are new model numbers (BG107362SS and BG107482SS) for the 10" high backguards. The new model backguards will fit the old model ranges along with the new model ranges/rangetops but the old backguard will not fit the new models.

D. There is no change in cutout dimensions.

NEW 7-Series reversible cast iron Griddle/Grill ships standard

20% Larger RackView™ Trimless Windows on Oven Doors
