Dear Valued Bosch Dealer,

The Environmental Protection Agency (EPA) has notified BSH that Bosch Dryer WTG865H2UC does not meet the Energy Star Program standard and is no longer Energy Star rated. This product failed verification testing and has been disqualified from ENERGY STAR.

As such, the Energy Star logo can no longer be used with Bosch Dryer WTG865H2UC. Please ensure that the Energy Star logo is removed from all WTG865H2UC marketing/collateral materials and websites within your control immediately.

BSH is in the process of removing all Energy Star logos from the WTG865H2UC affected inventory. WTG865H2UC purchase orders submitted in November through January 2019 are anticipated to ship in late February 2019.

In 2019, Bosch Dryer WTG865H2UC will transition to the new model WTG865H3UC once Energy Star certification is received.

Kind regards,

BSH Home Appliances Corporation  
VP Marketing
