Unauthorized Online Sellers

Dornbracht Americas is committed to partnering with its authorized retailers to provide customers with superior design, performance, and service.

As such, only officially authorized online dealers are permitted to sell Dornbracht products on the internet. Warranties for Dornbracht products will be honored only if these products are purchased through authorized retailers. If product is obtained from an unauthorized online dealer, its warranty will be void.

Dornbracht product is not to be purchased or sold on any 3rd party auction or retail site. This includes, but is not limited to, eBay, Amazon, Houzz, and Overstock. Authorized Dornbracht retailers must not sell Dornbracht product through such sites. They must not supply Dornbracht product to any entity that the dealer knows or should reasonably know will resell the product on such sites.

Dornbracht has identified several unauthorized online sellers of Dornbracht product. Authorized Dornbracht dealers **must** not sell Dornbracht product to these entities. Potential Dornbracht customers should be wary of these unauthorized sellers and understand the lack of quality assurance that comes with buying from them.

A list of **unauthorized online** sellers is below. This list is not exhaustive. As we identify additional unauthorized sellers we will update and redistribute this list.
