April 1, 2019

To Our Valued Customer:

InSinkErator® is pleased to announce the launch of the new High Performance Digital Instant Hot Water Tank (HWT300). This product will be in stock and available for order May 1, 2019. *The new tank will be replacing the HWT-HP unit – effective May 1, 2019.*

The new 2/3-gallon Digital Instant Hot Water Tank features a modern design with touch panel interface and includes improved temperature control, high performance and energy efficiency. This tank is designed with zero seals and has a 4-year *We Come to You*® In Home Limited Warranty. This product is intended for wholesale channel only.

Pricing and model information regarding new and changing SKUs below:

<b>Description</b>	<b>Model Number</b>	<b>UPC</b>	<b>List</b>
