FOUNDED IN 1945

Bob Trulaske and his father, Frank, and later his brother, Art, develop a refrigeration company in their Lenox Avenue house, where they build the first 40 cu. ft. upright freezer on the market. Soon after, they begin manufacturing Wrapped Rail Roll-Top Bottle Coolers for beer and beverage in a multi-story warehouse on Pine Street in downtown St. Louis, Missouri.

70+ YEARS

of TRUE INNOVATION, EXPERTISE, and PERFORMANCE

True Residential® is a division of True Manufacturing Company. For over 70 years True® has been an industry leader in commercial refrigeration. Now, homeowners can experience that same quality with True Residential®, an authentic commercial refrigeration line refined for the home. Handcrafted in the USA with the same meticulous attention to quality and detail industry professionals demand, the residential series includes award-winning wine cabinets, refrigerators, beverage centers, ice machines, upright refrigerator/freezers, and beer dispensers.

1940s - 1950s

7-UP® Company approves True Roll-Top Bottle Coolers.

TRUE® introduces the first upright Glass Door Merchandiser model, GDM-40-30, utilizing state-of-the-art fan motor technology and revolutionary triple pane glass design. Equipment approved by Pepsi-Cola® Company.

True® develops blower coil evaporator technology and Slant Lid Bottle Coolers. Equipment approved by Royal Crown Company.

1960s - 1970s

True® introduces Flat Top Bottle Coolers, which are still being manufactured today.

True® begins its foodservice industry sales at the 1972 National Restaurant Association Show.

Direct Draws and Back Bars are developed for the foodservice industry.

1980s - 1990s

Undercounter and Worktop models are introduced.

True® introduces what is now the industry standard Sandwich/Salad Units with revolutionary patented airflow and hood design.

True® develops its first Reach-In heated cabinets, as well as T-Series Dual Temperature models, 24" deep Back Bar units, and the Chef Base series.

2000s - TODAY

True Residential® brand of refrigeration is officially introduced.

True® becomes an original ENERGY STAR® partner.

True® celebrates 70 years of continued success.

As an innovator in the industry, True® continues exploring new strategies for revolutionizing the future of refrigeration, including alternative refrigerants, LED lighting, and overall energy efficiency.

TRUE RESIDENTIAL® SERIES LIMITED WARRANTY STATEMENT

LIMITED 30 DAY COSMETIC WARRANTY

Stainless steel doors, handles, and shelves are warranted to be free from defective materials or workmanship for a period of thirty (30) days from the date of original retail purchase. Any defects must be reported to the selling dealer within thirty (30) days from the date of original retail purchase. This limited warranty excludes any type of freight / concealed damage.

THREE-YEAR PARTS & LABOR WARRANTY *For units purchased after Feb 1, 2013.

TRUE warrants to the original purchaser of every new TRUE refrigerated unit, the cabinet and all parts thereof, to be free from defects in material or workmanship under normal and proper use and maintenance as specified by TRUE and upon proper installation and start-up in accordance with the instruction packet supplied with each TRUE unit. TRUE's obligation under this warranty is limited to a period of three (3) years from the date of original installation or thirty nine (39) months after shipment date from TRUE, whichever occurs first.

SIX-YEAR SEALED SYSTEM WARRANTY - PARTS & LABOR *For units purchased after Feb 1, 2013.

TRUE warrants its hermetically sealed system: compressor, evaporator coil, condenser coil, drier, metering device, and connecting tubing to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of six (6) years from the date of original installation but not to exceed six (6) years and three (3) months after shipment from the manufacturer, whichever occurs first.

SEVEN THROUGH TWELVE-YEAR SEALED SYSTEM WARRANTY - PARTS ONLY *For units shipped from True after Feb 1, 2017 and REGISTERED via True's Product Registration Page – TRUE warrants its hermetically sealed system: compressor, evaporator coil, condenser coil, drier, metering device, and connecting tubing to be free from defects in both material and workmanship under normal and proper use and maintenance service period of twelve (12) years from the date of original installation but not to exceed twelve (12) years and three (3) months after shipment from the manufacturer, whichever occurs first. Product must be registered with True to qualify for this warranty. Factory seconds and Clear Ice Machines are excluded from this warranty.

TERMS APPLICABLE TO EACH WARRANTY

Any part covered under the above warranties that is determined by TRUE to have been defective within the time frame is limited to the repair or replacement, including labor charges, of defective parts or assemblies. The labor warranty shall include standard straight time labor charges only and reasonable travel time, as determined by TRUE.

WARRANTY CLAIMS

All claims for labor or parts must be made directly through TRUE. All claims should include: model number and serial number of cabinet, proof of purchase, and date of installation. In case of warranted compressor, the compressor model tag must be returned to TRUE along with the above listed information.

WHAT IS NOT COVERED BY THIS WARRANTY

TRUE's sole obligation under this warranty is limited to either repair or replacement of parts, subject to the additional limitations below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

NO CONSEQUENTIAL DAMAGES. TRUE is not responsible for economic loss; profit loss; or special, indirect, or consequential damages, including without limitation, losses or damages arising from food or product spoilage claims whether or not on account of refrigeration failure.

WARRANTY IS NOT TRANSFERABLE. This warranty is not assignable and applies only in favor of the original purchaser/user to whom delivered. Any such assignment or transfer shall void the warranties herein made and shall void all warranties, express or implied, including any warranty or merchantability or fitness for a particular purpose.

IMPROPER USAGE. TRUE assumes no liability for parts or labor coverage for component failure or other damages resulting from improper usage or installation or failure to clean and/or maintain product as set forth in the warranty packet provided with the unit.

ALTERATION OR NEGLIGENCE. TRUE is not responsible for the repair or replacement of any parts that TRUE determines have been subjected after the date of manufacture to alteration, neglect, abuse, misuse, accident, damage during transit or installation, fire, flood, or act of God.

IMPROPER ELECTRICAL CONNECTIONS. TRUE is not responsible for the repair or replacement of failed or damaged components resulting from electrical power failure, high or low voltage, use of extension cords, or improper grounding of the unit.

YOUR RIGHTS UNDER STATE LAW. *This warranty gives you specific legal rights, and you may have other rights that vary from state to state. Some states do not allow the exclusion or limitation of consequential damages or a limitation on how long an implied warranty lasts, so the above exclusion or limitation may not apply to you.*

OUTSIDE U.S./CANADA. This warranty does not apply to, and TRUE is not responsible for, any warranty claims made on products sold or used outside the United States or Canada.
