

Fusion Savvy Home SmartMirror™

Savvy™, the world's smartest mirror, helps you make the most of every day. Download as many apps as you'd like from home automation control, to music and entertainment, to social media. Link your favorites to the Savvy dashboard and they're never more than a touch away.

Base Model					
Size (w" x h" x d")	S&H	Display	Price	In Stock ¹	Model #
36 x 36 x 1.75	M \$125	21.5"	\$5,190	Yes	FUS-215-SV-3636
48 x 36 x 1.75	M \$125	21.5"	\$5,530	No	FUS-215-SV-4836

FEATURES AND BENEFITS

Iris™ glass offers slightly darker reflection than typical mirror to optimize display screen performance

Display screen disappears when off

Wi-Fi and Bluetooth 4.0 enabled for control of smart devices

On-mirror light controls and motion sensor package

Suitable for damp bathroom environments

10-watt amplification with integrated mini-speakers

Audio out allows for external speakers (not included)

LIGHTING SPECIFICATIONS

Dimmable, replaceable LEDs

CRI: 90+

CCT: 3,000 Kelvin

Calculated L₇₀ 52,000-hour LED lifespan

DISPLAY SPECIFICATIONS

21.5" multi-touch screen LCD display

1080p (1920 x 1080, 16:9) resolution

HDMI Input for connection from set top box

50,000-hour panel

SAFETY SPECIFICATIONS

Entire assembly meets UL/cUL standards

Safety-backed mirror

FCC compliant

INSTALLATION SPECIFICATIONS

120V/240V hardwire electrical connection; provide 36" whip; junction box not required

Chassis should be mounted to wall studs; mounting holes are provided

Mirror lights can be controlled by an on/off switch, forward-phase dimming switch, or by the Savvy hardware with the light control/sensor package

Wire Savvy hardware/display into unswitched 120V/240V recessed electrical outlet and connect Ethernet Cat 5/6 cable or use built-in Wi-Fi to connect to the Internet

Integrity Savvy Home SmartMirror™

No other smart mirror comes close to Savvy™. From the elegant and ergonomically-designed launcher, to the enhanced functionality that comes from the integrated motion sensor, far-field microphone, and multi-touch display, Savvy takes smart mirrors to whole new level.
