# Why Buy **SUPERIORE?**

## **Made For North America, Inspired by Italian Design**

The only Italian range in its class, handcrafted in Italy but designed and manufactured for the American consumer. Progressive styling with stainless steel panorama or matte finishes in iconic color choices

## **Flexible, Precision Brass Burners**

Made of brass, SUPERIORE gas burners offer flexibility, safety, and power, with options ranging from two 18,500 BTU power burners, one 11,000 BTU large burner, two 6,500 BTU medium burners, and one 3,600 BTU small burner.

## **Chef-Inspired Worktops**

Crafted for the discerning home chef, SUPERIORE ranges offer thoughtful cooktop configurations. Features including continuous grating, cast iron grids, reversible wok ring, TrueTemp electric griddles that reach up to 600 degrees, and Tri-Fuel models with four (4) induction elements under white ceramic glass, add to the unit's ultimate flexibility.

## **Cool Touch Front and Soft Close Doors**

Totally childproof and childsafe; SUPERIORE's Cool Flow System generates a consistent flow of cold air rendering the knobs, handle, and exterior surfaces cool to the touch. Soft close doors protect fingers, big or small.

## **Unmatched and Unrivaled Service Network**

All SUPERIORE products are CSA approved, offering a full two (2) year warranty. Complete aftersales service package includes customer service, service dispatch, technical support, claims processing, and spare parts distribution.

## Large, Gourmet Ovens

36" **NEXT** and **DECO** models boast 6.7 cu. ft. of oven space; 30" provides 5.7 cu. ft. The 24" **NEXT** range has an oven capacity that rivals 30" competitors. With additional features including fast preheat (less than 10 minutes), diagonal flow convection with up to 4 fans that guarantee even cooking, and six (6) simultaneous cooking levels that prevent flavor crossover, this oven defines performance. Engineered to cook an entire Thanksgiving dinner, **SUPERIORE** understands how Americans cook, consume, and prefer versatility.

A dark, monochromatic photograph of a kitchen range hood. The image is a close-up, focusing on the control knob and the vent grille. The knob is on the left, with the word "OFF" visible on its top. The vent grille is on the right, showing a series of parallel slats. The lighting is dramatic, highlighting the textures and shapes of the hood's components.
