

WM3500 : Sales Sheet

Ultra Large Capacity for More Free Time

LG SideKick™
part of the LG TWINWash® system

Unique Selling Propositions

1. **6motion™ technology** uses up to 6 different wash motions to provide a smart cleaning experience that is gentle on clothes and maximizes washing performance.
2. Select a cycle, start or stop the wash and get notifications about when your laundry will be done, and troubleshoot (**Smart Diagnosis™**) all from your smartphone with **SmartThinQ®** (Wi-Fi connectivity).
3. **ColdWash™** technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold water savings with warm water performance.
4. **Ultra-Large Capacity** 4.5 cu.ft on washer and 7.4 cu.ft. on dryer means you have the room to do more laundry in fewer loads.
5. **TWINWash™** Compatibility provides total of 5.5 cu.ft. capacity and ability to wash two loads at the same time that can't wait.
6. **TrueBalance™** Anti-vibration system reduces noise and vibration for smooth, quiet performance anywhere.
7. **NeveRust™** Stainless Steel Tub is made of durable stainless steel, avoiding nicks that can snag fabrics.

“MEGA Capacity for More Room to Clean”

Unique Selling Propositions

1. **TurboWash3D™ technology:** Powerful water flow that causes clothing to rub against each other for a deep, thorough clean without the beating and excessive vibration you get from a typical agitator.
2. Select a cycle, start or stop the wash and get notifications about when your laundry will be done, and troubleshoot (**Smart Diagnosis™**) all from your smartphone with **SmartThinQ®** (Wi-Fi connectivity).
3. **ColdWash™** technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold water savings with warm water performance.
4. **MEGA Capacity** 5.0 cu.ft on washer and 7.3 cu.ft. on dryer means you have the room to do more laundry in fewer loads.
5. Load and unload the way you want to with the dual-opening options of the **LG EasyLoad™** dryer door.
6. **6motion™ technology** uses up to 6 different wash motions to provide a smart cleaning experience that is gentle on clothes and maximizes washing performance.
7. **TrueBalance™** Anti-vibration system reduces noise and vibration for smooth, quiet performance anywhere.
8. **NeverRust™** Stainless Steel Tub is made of durable stainless steel, avoiding nicks that can snag fabrics.
