Introducing Matte Black, the newest designer finish from Steamist.

Whether installing our steam shower with the Total Sense Spa Package or spa options, or our exclusive ShowerSense digital shower, Matte Black brings a soft and sophisticated color to your decorative palette options.

Matte Black's luxe, low-gloss finish delivers a contemporary look and an understated elegance that will complement a wide range of shower and bath designs. A perfect pairing with natural stone, subway tiles and more, Matte Black also contrasts beautifully with glossy finishes, textures and patterns.

Controls and steamheads in Matte Black, now available from Steamist.

The Matte Black product line is **price-tiered as a designer finish**. 550 and 450 controls include a matching-finish 3199 steamhead.
