

INTRODUCING THE GUILDER COLLECTION

The Guilder Series is a quick ship program that allows you to purchase ready made, top quality, high end bathroom vanities and have them shipped to you at an expedited rate. This program includes one vanity style available in three sizes and three finishes as well as multiple hardware finishes and optional upgrades to satisfy all of your vanity needs.

FEATURES

QUICK SHIP PROGRAM

These vanities are kept in stock so they can be shipped out as soon as the order is received.

STANDARD SIZING

24" 30" 36" widths
21.5" D fits standard countertops
15"H for maximum storage and sink compatibility.

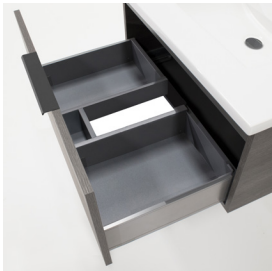

3 FINISHES

C60 Ashlin Textured
C61 Barley Textured
C21 White Acrylic Gloss

6" TAB PULL

Hardware is available in 5 finish options and holes come plugged in case you want to use other hardware.

SINGLE SPLIT DRAWER

Split for plumbing, the single drawer is functional and provides ample storage space.

SOFT CLOSE DRAWERS

Each vanity is outfitted with soft close, full extension drawers for ease of access.

MAXIMUM SINK COMPATIBILITY

This vanity provides 8 1/2" of undermount sink compatibility so most sinks will easily fit.

SIGNED BY A GUILDER

Each piece is carefully assembled, signed, and given a serial number by one of our skilled Guilders.

ADJUSTABLE MOUNTING SYSTEM

Our fully adjustable mounting system is rated to easily hold 330lbs.

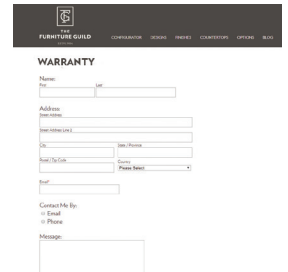

PUREBOND CONSTRUCTION

All backs, bottoms, and braces are made from PUREbond 3/4" poplar plywood.

DOWEL CONSTRUCTION

We space our dowels 2.5" inches apart to make the cabinet stronger and more durable.

LIFETIME WARRANTY

Like all of our wood products, our Guilder Collection comes with a lifetime warranty.

MODULAR DESIGN

We've designed this product so it can function by itself, paired, or stacked with others. Add options like UTRAY, toekick, wall fillers, and dividers. Our in stock top program is limited to 24", 30", 36" but feel free to add your own top for larger sizes.

— CABINET FINISHES —

C60 ASHLIN

This wood-like textured surface has a warm and rich dark grey coloring.

C61 BARLEY

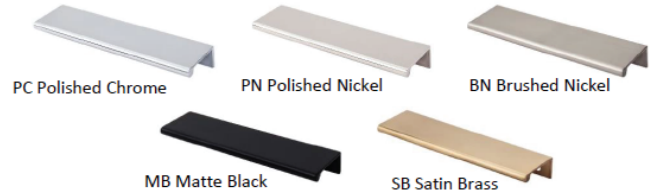

This wood-like textured surface has a clean and soft tan coloring.

C21 WHITE ACRYLIC

This mirror-like, high gloss surface gives the cabinet a radiant look.

— TAB PULL HARDWARE —

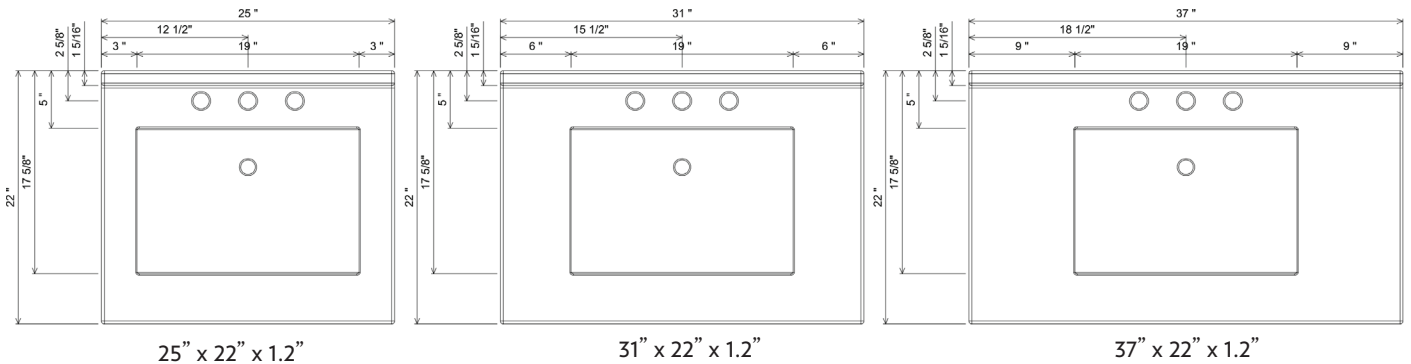

Our tab pull hardware is included and available in 5 finishes. Each drawer is predrilled but the hardware comes unattached. The predrilled holes come plugged in case you wish to use other hardware.

— FIRECLAY COUNTERSINK —

Our Guilder Series is available with or without our Fireclay countersink. The countersink comes with 1/2" overhang and a slight bump in the back to prevent water from splashing on the back wall.

Our Fireclay countersink is made of a ceramic porcelain material that is much like enameled cast iron but with a much stronger finish. The countersink is twice fired for strength and gives it a nonporous surface and everlasting shine.

— OPTIONAL UPGRADES —

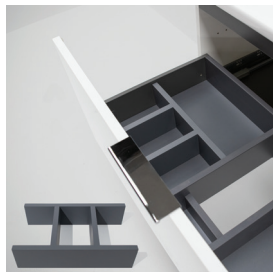

U SHAPED TRAY

UTRAY 24/30/36

A U shaped pullout that can be installed over the main drawer. For vessel sink and non-sink applications.

\$300

SLIDING DIVIDER

SD 24/30/36

Sliding drawer divider designed to fit on one side of the split drawer.

\$150

TOEKICK

TK 24/30/36

4" toekick. Stack (2) 15"H cabinets to create a freestanding vanity. Depth = 17.5"

\$200

WALL FILLER

2 3/4" x 3/4" x 15"H wall filler finished on all sides. Comes unattached. Place between cabinet and adjacent wall. Caulk 1/4" gap between wall and FC top.

\$30
