Part No. 4779000

### Features

#### Transitional Design.

Grow your sales in the popular transitional market with Joleena.

#### 2-Spray Functionality.

In the kitchen, easily switch between the aerated and lockable shower sprays with the push of a button. Larger pull down for easy handling.

#### Lever Handle.

The Joleena bathroom collection is ADA compliant. The lever handles are suitable for those with limited dexterity.

#### Aerated Spray.

Joleena lavatory faucets feature an aerated spray for a more voluminous flow. Available at 1.2 GPM or 0.5 GPM.

#### Vertical Stop.

The Joleena kitchen faucet features vertical stop to avoid the handle hitting the backsplash.

### Available Finishes

Chrome • Matte Black • Brushed Nickel  
• Polished Nickel • Steel Optic
