## Important Information

- 1 Shipments of in-stock products leave the factory daily (based on product availability).
- 2 Standard shipping method is air freight (common carrier or UPS depending on product category).
- 3 Program applies to the lower 48 US states and lower 10 Canadian provinces.
- 4 Always refer to order confirmation for estimated lead time for a particular order.
- 5 Lead time = production time (varies by product category) + respective ship time
- 6 Lead times quoted are **estimates** only.
- 7 This program applies to RETAIL orders only. PROJECT orders are to be quoted separately.
