

Lumicoat™ Finishes

SIMPLY BEAUTIFUL

see what Delta can do™

Delta® Lumicoat™ Finishes wipe clean without cleaners and chemicals. They repel liquids, resisting water spots to stay cleaner longer, so your client's faucet stays as beautiful in use as it is out of the box.

FINISHES AVAILABLE:

- Lumicoat™ Chrome-PR
- Lumicoat™ Arctic Stainless-AR-PR
- Lumicoat™ Champagne Bronze-CZ-PR
- Lumicoat™ Black Stainless-KS-PR
- Lumicoat™ Polished Nickel-PN-PR

Delta® Lumicoat™ Finishes wipe clean without the need for cleaners and chemicals, resist water spots, mineral buildup and hard water stains, and are available across a range of finishes.

- Easily wipes clean with just a soft cloth: no cleaners or chemicals necessary.
- Ultra-sleek surface repels liquids, resisting water spots and staying cleaner longer.
- Guaranteed to resist mineral buildup and hard water stains.
- Available in a range of finishes.

Currently available on select Delta® kitchen products.
