TriSensor™ Electronic Climate Control

Three sensors, one in the refrigerator, one in the freezer and one exterior ambient sensor, manage temperatures for exceptional, consistent climate control.

Adjustable Glass Shelves with Spill Shield Technology

Easily adjust clear glass platforms, which are wrapped in sleek metal trim and feature an opaque forcefield that helps contain minor spills.

Under Shelf Wine Bottle Rack

Drench your desires. Up to four bottles of cool, liquid temptation are chilled from neck to end. Easily attach the rack to brackets on the supports of one shelf.

Temperature-Controlled Gourmet Bay™ Drawer with Self-Opening Lid

Whether you're marinating a steak or storing a charcuterie tray, the full-width temperature-controlled storage drawer allows chilled air to circulate, creating an environment that is cooler than the rest of the refrigerator.

One-Hand Internal Water Dispenser

Let crisp water flow. A sleek internal water dispenser lets you access cool filtered water while maintaining a seamless stainless exterior.

72" TALL | COUNTER DEPTH | 22 CUBIC FEET

- Electronic Controls with LED Display
- LED Lighting
- Automatic Ice Maker with Storage Bin and Ice Scoop
- Diamond-Etched Handle
- Hidden Hinges
- Produce Preserver
- Glide-Out Freezer Drawer with Glide System
- Max Cold
- Automatic Adaptive Defrost
